The Holy Father's Prayer Intention November 2025

For the prevention of suicide

Let us pray that those who are struggling with suicidal thoughts might find the support, care, and love they need in their community,

and be open to the beauty of life.

Suicide Awareness is becoming more important in our society and Church. It reminds us to regularly connect with ourselves and our loved ones, especially when we're feeling stressed, anxious, or hopeless. Suicide prevention and offering comfort to those grieving a loss from suicide can be difficult to navigate. To find Catholic resources for hope and guidance go to <https://www.avemariapress.com/pages/suicide-awareness>.

If you are having suicidal thoughts, dial **988** to talk to a trained counselor at a crisis center. 988 is the National Suicide Prevention Lifeline.
