

October 4, 2019

Dear Parishioners and Friends,

I invite you to join our **Heritage Friends of Star of the Valley**, and offer you an opportunity to make your contribution to Star of the Valley Parish last indefinitely.

Planning the final distribution of your assets is a very personal choice reflected in your will and/or trust. But over time, things change requiring you to periodically dust off these important documents. During times of change, we know that taking care of your family and friends is a priority but, if you are open to charitable giving, I ask you to consider a final gift to Star of the Valley Parish.

All members and friends of the parish are invited to join and be part of Star of the Valley's enduring future. The mere act of giving is more important than the amount of the gift. All gifts are valued regardless of their size.

Participation in Heritage Friends of Star of the Valley is straight forward:

- ✚ Submit your future intention to give *without including an amount* to Star of the Valley by completing the enclosed form.
- ✚ Contact your attorney to include your intention in your will or trust which can be done as a dollar amount or by listing other property. It is important that you seek the advice of an attorney in such matters. If needed, we can provide names of Estate Attorneys to assist you.

An informative Question/Answer document is available if desired, as well as our Heritage Friends Giving Form.

After reflective prayer and consideration, you are invited to join Heritage Friends of Star of the Valley and make a final gift to the Church so your memory lives on in perpetuity.

Sincerely yours in Christ,

Rev. Msgr. James E. Pulskamp
Pastor
